Agenda Item Number	<i>Item 11 (iii)</i>

Title of Report	Traffic Calming Work Group
Summary	<p>The TCWG met on 11th March and reviewed the draft TCWG matrix and also discussed the details of the approach. Given the somewhat extensive list of traffic related issues and concerns around the village, we have decided to recommend that we look to prioritise the list.</p> <p>Next Meeting planned for 2/4/19@19:30</p>
Recommendation	<p>The TCWG recommend that the 4 priority issues (in no particular order) which need to be addressed are as follows:</p> <ul style="list-style-type: none"> • Congestion around the village • Speeding in the village • Parking around the primary school • Access in the older parts of the village (Parking related)
Reasons for the Recommendation	This approach means that we can focus on the main concerns first and then progress the rest as we move forward.
