

BLOXHAM PARISH COUNCIL

Date of Parish Council Meeting	Wednesday 17 th April 2019
Agenda Item Number	
Author	Jenny Yates/Leonard Leigh
Title of Report	Drop in and Chat 13 th April 2019
Summary	<p>Two residents attended</p> <ol style="list-style-type: none"> 1. Signs for dog walkers on the permissive path. It was felt that the “red” signs were curt and could have been better phrased and included the requirement for dog walkers to clean up after their dogs. <i>Resident advised that this matter was being looked into and a potential meeting involving dog walkers, land owners and Parish Councillors would be taking place and hopefully more appropriate signage would be installed.</i> 2. Speeding through the village especially outside the normal day hours. <i>Resident advised that the Traffic Calming Group was conscious of this and was looking at how to highlight to motorists that this was a village.</i> 3. Speeding vehicles using Chapel Street early morning. <i>As above</i> 4. Heavy vehicle possibly from the Sewage works using Chapel Street. <i>Possible for the PC to contact the sewage works and the Industrial Estate reminding them of the need for traffic not to use Chapel Street but use Brickle Lane.</i> 5. Replacement of the damaged seat adjacent to the cricket ground on Courtington Lane. <i>Resident advised that this was in hand and should be replaced shortly</i> 6. The VAS on South Newington Road is either stuck or inaccurately records 30 mph. <i>Could this be looked into?</i>
Recommendation	<p>Accept the report and take the following actions</p> <ol style="list-style-type: none"> 1. Review signage for use on both Permissive Paths and PROW to include the clearing up of dog mess. 2. Traffic Calming group to use this for supporting evidence for remedial measures. 3. Possible to advise both the Warriner and Bloxham School to remind parents dropping children to adhere to the speed limit and be aware that Pedestrians may be in the road. 4. Ask OCC for pedestrians in the road signs at the junction of Chapel Street and The Ridgeway and narrow road signs at the T junction of Old Bridge Road and Chapel Street. 5. Contact the Sewage Company and Yew Tree Industrial Estate for traffic to avoid using Chapel Street. 6. Action the replacement of the seat on Courtington Lane. 7. Action the repair of the VAS on South Newington Road.
Reasons for the Recommendation	Issue raised by Residents

BLOXHAM PARISH COUNCIL

Impact on Budget	Cost of repairs to the VAS
Risks	If no action is taken residents may consider the Parish Council is not being reactive.
Background
